THE WORLD IS YOUR ADDRESS ABOARD THE MAGELLAN
The Magellan Residential Cruise Ship Offers the Ultimate in Home Ownership and Travel

September 8, 2006 – Phoenix, AZ – Forget the white picket fence, the ultimate residence can be found circumnavigating the globe in the epitome of luxury aboard the \$750 million dollar prestigious and private residential cruise ship – The Magellan. With a full-service retractable marina, on-call private Bell 429 helicopters and 300 ports of call, residents have anytime access to their floating penthouses where 300 crew members await around the clock to say “Welcome Home.”

The amenities and services of the world’s finest resorts are part of everyday life aboard the Magellan. On-call housekeeping staff, a world-class spa and marketplace, a 24-hour concierge staff, indoor and outdoor pools, four fine dining restaurants, a 450-seat theatre featuring Broadway-quality entertainment, a casino worthy of Monte Carlo and a Starbucks café are just a few of the conveniences that make living aboard the Magellan a unique experience.

“I envisioned the need for the Magellan during a cruise through the Magellan straits with my wife and two daughters,” says Randall Jackson, chief executive officer of the Magellan Residential Cruise Ship by Residential Cruise Line, LTD. “After traveling for years on cramped, crowded cruise ships, I realized that there was a need for a better way of traveling – a better way of living.”

The impeccably designed penthouses offer unparalleled views of the sea and all of the creature comforts that can be found in land-based multi-million dollar homes. Custom wood cabinetry, luxurious stone surfaces, gourmet-quality appliances, lavish baths and luxurious living quarters complemented with the latest technological advancements makes the Magellan the ultimate residence on sea or land.

Residences on the Magellan range in price from \$1.8 million to \$8 million. For more information about ship specifics and fractional ownership opportunities, call 480-497-8833 or visit the web site at www.residentialcruiseline.com.
